SUBJECT: DON KENNADAY

Dear Paul:

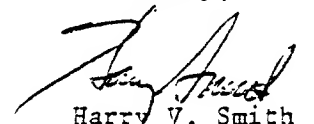

I have followed up with the Glendale Police Dept., re: their investigation of Don. They have dropped the case because the material they have that would bring a connection has passed the statute of limitation. In the conversation they did let drop that he does have a conviction in the "local" area. They backed off when I started to press for more information.

The only way for us to obtain written information on the two convictions is to submit his fingerprints to the California Department of Justice. At that time (after many forms, etc.) they would release the information to us. Obvious difficulty is obtaining the fingerprints.

The police department is continuing an occasional surveillance on Don and with whom he is associating.

Sorry that I am unable to provide any more information. The privacy of information act has us in a corner at this point. Don has made no effort to become involved again.

Sincerely,

Harry V. Smith
Scout Executive

SUBJECT: Donald F. Kennaday II

Dear Harry:

This is a follow-up to our communication in April concerning the above named individual. We would like to know the outcome of any legal action which has currently taken place in Glendale.

It is most helpful for us to have the outcome of the legal action so that it will complete our file and enable us to refuse registration attempts anywhere in the country.

Thanks again for your help in completing our file so that we may protect the youth of America.

Sincerely,

Paul Ernst, Director

Dear Harry:

Thank you very much for the information which you recently sent to our office concerning the above named individual. This is very helpful to us and will be most useful should a registration attempt come from some other council.

I would like for you to keep me informed as the investigation proceeds by the Glendale Police Department. If any evidence turns up which would lead to court action, we would like to know the outcome and any sentencing which might take place.

Thank you for your help in this matter.

Sincerely,

April 5, 1986

At 2:00 p.m. today, Harry Smith and I talked to Don Kennaday, Cubmaster of Pack 305. Harry gave Don a letter suspending his registration with the Boy Scouts of America and severing any relations with the Scouts.

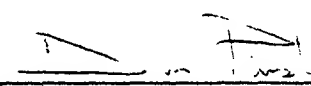

Don asked why. Harry told Don that information was given us by the Glendale Police Department concerning a conviction in the state of Wyoming. Don stated this happened over 25 years ago when he was a minor. I explained that we could not take any chances with our Scout leaders when it came to working with the boys.

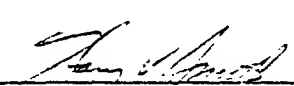

Don asked who he should talk to at the Glendale Police Department concerning this. Harry indicated he might speak to the chief, who would probably refer him to another office in the department.

Harry and I both told Don this was confidential and was, at this time, between the three of us.

Don did admit there was a problem in Wyoming, but we never discussed specifics.

There was certainly a clear understanding among the three of us as to the reason for this action.

Dear Don:

After careful review, we have decided your registration with the Boy Scouts of America should be suspended. We are therefore compelled to request that you sever any relations you have with the Boy Scouts of America.

You should understand that B.S.A. leadership registration is a privilege not automatically granted to everyone who applies. We reserve the right to suspend registration whenever there is a concern that an individual may not measure up to the high standards of leadership which the Boy Scouts of America needs to provide for American youth.

Please also understand that this decision and the reasons for it will be maintained as confidential. If you wish to have this decision reviewed, please write to me explaining your version of the facts supporting your claim that your resignation as a B.S.A. leader should be granted or reinstated.

Sincerely,

Harry V. Smith,
Scout Executive
